**STAKES OFFERED**

**Junior Courser and Qualified Courser Tests.** These tests are open to hounds at least 12 months of age.

**Open Stake:** Open to all hounds that have run in AKC lure coursing competition prior to 1 January 2010 or have obtained an AKC Qualified Courser certificate. This requirement will be waived for hounds that have earned a Field Championship title from the American Sighthound Field Association (ASFA) or the Canadian Kennel Club (CKC). ASFA or CKC Field Champions must submit a copy of their title certificate to the host club when they enter their first AKC Open Stake. This copy must be included when the results of the trial are sent to the AKC. Championship points earned from the Open Stake will only count toward a Field Champion title. Hounds that have earned an AKC Field Championship title are not eligible to enter the Open Stake.

**Specials Stake.** Open to all hounds that have earned their AKC Field Championship titles. Championship points earned from the Specials Stake will count toward Lure Courser Excellent titles. Qualifying scores earned from the Specials Stake will count toward a Senior Courser or Master Courser title.

**Veteran Stake.** Open to all hounds which are eligible to enter Open or Special stakes and meet the age requirement for a veteran as established by the breed's parent club – 6 years of

age; except Irish Wolfhounds = 5 years; Whippets and Rhodesian Ridgebacks = 7 years. Points won from the Veteran Stake may count toward either a Field Championship title or Lure Courser Excellent title.

Only purebred Afghan Hounds, Azawakhs, Basenjis, Borzois, Greyhounds, Ibizan Hounds, Irish Wolfhounds, Italian Greyhounds, Pharaoh Hounds, Rhodesian Ridgebacks, Salukis, Scottish Deerhounds, Sloughis, Thai Ridgebacks and Whippets that are one year of age or older, and that have been registered with the AKC or are part of an AKC-registered litter or have been granted a PAL or ILP or, if whelped outside the USA and owned by a resident of the USA or of a country with a foreign registry organization whose pedigrees are acceptable for AKC registration and are registered with that registry, are eligible to participate. Hounds may not be entered as "registration pending" or "ILP pending." Breed disqualifications apply. Portuguese Podengos (Medio and Grande) may compete for suffix titles only.
